

Winding Trails Today...

For over 70 years, Winding Trails has stayed true to its roots. We continue to offer an award-winning summer day camp. We also have a wonderful beach and picnic area on a clear blue lake with top-notch education programs and events for all ages.

Many people love Winding Trails. If you ask why, you hear comments such as, it's beautiful, clean, relaxing, safe, and rustic. You will also hear about quality programming, superb facilities, and a dedicated staff.

These are nice accolades, but the real reason people love Winding Trails is they have raised their families here. They had some of their best days at the beach here. They met their friends here. Their kids went to camp here. They see their neighbors here. We are going on four generations of people enjoying themselves here. People love Winding Trails because being here makes great memories!

Winding Trails Forever...

The endowment will secure yours and Winding Trail's legacy by providing the funds needed to ensure Winding Trails will continue to serve future generations.

Winding Trails is focused on the next 70 years. We want your grandchildren's kids to learn to swim in a healthy, clean, and clear Dunning Lake. We want them to meet new friends at camp. We want them to wander in the woods seeking and finding the wonders of nature. We want them to gather with their family and friends for a BBQ.

We promise to continue to be good stewards of these 380 acres of woodlands and waterways and provide opportunities that make memories for generations to come.

Your investment protects this promise and helps us care for this cherished place!

Winding Trails Endowment

Making a difference in children, families,
and the environment through programs,
people, and the outdoors.

Creating a Lasting Legacy

Winding Trails Endowment was established in 2018 to ensure this organization and its property are available for future generations. The Endowment resides in two places: One fund is a Board designated endowment created by the Winding Trails Board of Directors and the other a permanent endowment with the Hartford Foundation for Public Giving. Interested parties can donate to either fund.

Board Designated Endowment

This fund is overseen by investment professionals selected by Winding Trails Board of Directors according to an investment policy established by the Board. Contributions to this fund will be treated as an endowment and not permanently restricted by the donor. Use of the interest on this fund is determined annually by the Board and is guided by a 5% spending policy. The Board can, with a three-quarters majority vote, withdraw funds from the historic dollar value if deemed prudent.

Endowment at the Hartford Foundation

Winding Trails is fortunate to have an endowed charitable fund at the Hartford Foundation for Public Giving for the perpetual benefit of Winding Trails. These donations are made with the requirement that the principal remain intact and money earned from investing the principal be used for Winding Trails. Governance of the fund, investment, and distributions from the fund, are the sole discretion of the Hartford Foundation. Winding Trails Board of Directors will determine how these distributions will be spent.
